Shocker PASS TWO YEAR WARRANTY

Your complete satisfaction with your Shocker PASS product is Headwind Solutions' main goal. Towards such goal, Headwind Solutions offers a two-year warranty to the original purchaser or end user and will replace any defective part or the entire unit which is defective in material or workmanship and breaks or fails to function under normal use, provided Headwind Solutions receives written notice of any claimed defects within ten (10) days after Buyer's discovery thereof. The Headwind Solutions warranty is limited to the repair or replacement of defective material or workmanship, and Headwind Solutions shall not be responsible for the cost of any repairs performed by the buyer. This warranty shall be void if the merchandise has been altered, damaged, or if the merchandise has been replaced, repaired or disassembled without Headwind Solutions' prior written authorization. Headwind Solutions' warranty covers only products manufactured and assembled by Headwind Solutions.

Products returned for repair or replacement under warranty shall be shipped with freight prepaid by the Buyer to Headwind Solutions.

These warranties also do not cover the breakage or failure due to abuse, misuse or improper installation. We do not cover exposure to the elements i.e. tornados, hurricanes, floods, fire, lightning, etc. There are no express warranties except as listed above. Headwind Solutions shall not be liable for incidental or consequential damages resulting from the use of any Shocker PASS product, or arising out of any breach of warranty. All express and implied warranties, including warranties of the merchantability and fitness for particular purpose, are limited to the applicable warranty set forth above.
